

**ASSOCIATED BETH RIVKAH SCHOOLS
DIVISION OF HIGHER LEARNING**

REFUNDS, WITHDRAWALS AND RETURN TO TITLE IV

WITHDRAWAL POLICY AND PROCEDURES

Any student who must leave school while the semester is in progress should inform the Dean, a faculty member, or the Registrar's office. The notification can be made in person, emailed (to Mrs. Gurwitz at hgurwitz@bethrivkah.edu), or by phone to (718) 735-0400. The Dean or faculty member will relay this information to the Registrar's Office. The official date of withdrawal for students who follow these withdrawal procedures is the date indicated by the student in her notification.

For students who withdraw from Associated Beth Rivkah Schools, Division of Higher Learning without notifying the Dean, a faculty member, or the Registrar's office, the date of withdrawal is the last documented date of attendance at an academically related activity.

Students who withdraw from classes may be entitled to a refund of tuition and fees. Adjustment of institutional charges and calculation of refunds will be based on the date of withdrawal, according to the schedule that appears in the Institutional Refund Policy.

Associated Beth Rivkah Schools, Division of Higher Learning confirms attendance in each course that every student is registered for, at the beginning of each semester, and again at the 60% point of the semester. This process of confirmation of attendance in each course enables the school to determine whether or not the student who withdraws without giving official notification has attended 60% of the semester. A student who is not in attendance at that 60% point is determined to have withdrawn at the midpoint of the semester.

A careful inquiry will be made for any student who fails to complete all coursework for a semester to determine if the student withdrew from all classes or if she actually earned failed grades in all classes. If a student receives F grades for all of her courses, the registrar will determine whether or not the student completed the semester. This is done via communication with the appropriate faculty members. Each faculty member who issued a failing grade will confirm if the student received an unearned or earned F grade.

INSTITUTIONAL REFUND POLICY

Any enrollee who never attends class (no show), voluntarily cancels enrollment within three days of signing the enrollment agreement, or at any time prior to the first day of the semester, is eligible for a full tuition refund minus an administrative charge of \$100. Refunds will be made within thirty days of the first scheduled day of class or the date of cancellation, whichever is earlier.

If an applicant is rejected for enrollment by the Associated Beth Rivkah Schools, Division of Higher Learning, or if an international student is rejected by INS, a full refund of all monies will be made to the applicant.

In case of a program cancellation by Associated Beth Rivkah Schools, Division of Higher Learning, every enrollee will be eligible for a full tuition refund.

RETURN TO TITLE IV FUNDS

For all Title IV eligible students who withdraw during a semester, the institution performs an R2T4 calculation utilizing the Return to Title IV software provided by the U.S. Department of Education. The institution determines the date of withdrawal to be used in the R2T4 calculation.

For a student who gives official notification, the date of withdrawal is the date that the student indicates in her notice or the date of notification, whichever is earlier.

Generally, if a student officially withdraws before 60% of the semester has passed, she will be able to retain a prorated portion of the financial aid award based on the number of days attended and the number of days in the semester. If she withdraws after 60% of the semester has passed she will most likely be able to retain all of the financial aid she has been awarded.

For a student who withdraws without giving official notification, the date of withdrawal is the midpoint of the semester, and the student will be able to retain 50% of the Title IV funds disbursed or the amount that could have been disbursed. If there is a last documented date of attendance in class or at an academically related activity, the R2T4 may be calculated based on this date. This may enable the student to retain a prorated portion of the financial aid award based on the number of days she attended and the number of days in the semester.

If the calculation on the U.S. Department of Education's R2T4 system results in the need to return funds to the Title IV programs, funds will be returned to the various federal financial aid programs according to the following order:

- (i) Unsubsidized Federal Direct Stafford loans
- (ii) Subsidized Federal Direct Stafford loans
- (iii) Federal Direct PLUS received on behalf of the student

Any funds that need to be returned to a lender will be returned by the school on behalf of the student. If unearned funds remain to be returned after repayment of outstanding loan amounts, the remaining excess will be returned in the following order:

- (i) Federal Pell Grants
- (ii) FSEOG

Refunds and returns of Title IV funds will be made within forty-five days of the date of determination that a student has withdrawn. Institutional charges that were previously paid by FSA funds might become a debit that the student will be responsible to pay.

RETURNING UNEARNED AID

Within 30 days of determining that a student who withdrew must repay all or part of a Title IV grant, the school will notify the student that she must repay the overpayment or make satisfactory arrangements to repay it. The student may sign a repayment agreement with the school or with the US Department of Education or pay the overpayment to the school. If a student fails to pay or sign a repayment agreement with the school or with the US Department of Education, the school will report the overpayment to NSLDS and refer it to the Default Resolution Group for collection.

POST WITHDRAWAL DISBURSEMENTS

Students who withdraw in the middle of the semester will have an R2T4 calculation performed to determine if they earned more funds than funds that had already been disbursed at the time of withdrawal. If a student earned more funds than funds disbursed at the time of withdrawal, she qualifies for a post withdrawal disbursement and may be offered those funds. No post withdrawal funds for loans will be drawn down and disbursed without the borrower's authorization.

A post withdrawal disbursement of Title IV funds may be credited to a student's account for current allowable charges such as tuition, fees, room and board, up to the outstanding amount of these charges. The school will obtain a student's authorization to credit a student's account with Title IV grant funds for charges other than the current year charges.

Any amount of the post withdrawal disbursement that is in excess of the balance of allowable charges will be disbursed to the student as soon as possible, but no later than forty five days after the date of determination of withdrawal.

In the case of a Federal Direct Loan the school will obtain confirmation from the student before disbursing any loan proceeds. In the case of a Federal Direct PLUS Loan the school will obtain confirmation from the parent before disbursing any loan proceeds.

CREDIT BALANCE PROCEDURES

If the R2T4 calculation results in a Title IV credit balance on the student's account, the amount of the credit will be disbursed to the student within fourteen days of the date of the R2T4 calculation.

TIMELY PROCESSING OF REFUND CHECKS

Associated Beth Rivkah Schools, Division of Higher Learning reviews bank accounts monthly, to ensure that all refund checks have cleared the account. In the event that a check has not cleared, we will notify the student that her refund check is outstanding. The student also has the opportunity to request a duplicate check if she misplaced the original check. Title IV funds will be returned to the Department of Education in the event they are left in the account 240 days from when the original check was issued.
